so social.
Social (soh-shuh l)

- relating to, devoted to, or characterized by friendly companionship or relations
- living or disposed to live in companionship with others or in a community, rather than in isolation
- an informal social gathering, especially one organized by the members of a particular club or group.
Media (mee-dee-uh)

- the means of communication, as radio and television, newspapers, magazines, and the Internet, that reach or influence people widely
we are social beings.

we remember the things that have personal meaning.

we remember stories.
tell more stories.
a story can be a great image.

it can be snappy words.

it can be a combination of the two.

Prematurity Awareness Month Idea #8: Dining to Donate- Think Pizza for Preemies or Bagels for Babies!

Dining to Donate:
Pizza for Preemies/Bagels for Babies

A "Dining to Donate" fundraiser is an easy and simple way to raise money. At these events, a local restaurant agrees to donate a percentage (usually 10 to 20%) of the proceeds from an evening's sales to your club. These events can be run by a few members and does not require a big investment of time or money. Dining to Donate nights are also a great way to help the community become familiar with the name Circle K International.

Work with a local restaurant to pick a date in November for your club to host a Dining to Donate event. November 17 is Prematurity Awareness Day so that day would be perfect. Complete any necessary paperwork needed. Finally, promote the event via newspaper, radio, and social media. Don't forget to provide information on Prematurity Awareness and March of Dimes to guests so they know what their dining donation is supporting.
The #UGA College of Public Health announced a new strategic partnership with The Forum Institute, an Oregon-based nonprofit think tank, to implement a first-of-its-kind preconception to infancy public health initiative for the state of Georgia.

The Forum Institute will provide $2.4 million in funding to the UGA College of Public Health over two years to support the establishment of the P2i Center of Excellence, the nation’s first center focused on preconception to infancy care.
